

When we first found the Storm's Angels website, we found that we wanted to improve upon the website by making the website more professional, user-friendly, and we wanted the website to have an easy to navigate setup. You can find pictures of the website below.

In order to implement our plans, we wanted to pick colors that were softer on the eye. We chose blues and oranges. We liked their original navigation bar and logo at the top so we decided to keep something similar. We also wanted to make the website more professional and interactive. We decided to redesign the home, about us, services, and FAQ pages. Pictured below are our plans from midterm.

Finally, below are a few pictures from the website we designed. As you can see it now looks more sleek and inviting.

Origami Owl Fundraiser

We are hosting an Origami Owl fundraiser on Wednesday, April 29th at 7pm EST for Storm's Angels! There are so many great options to tell your story with their jewelry and everything is customizable. Our consultant, Katie DeVito, will be donating 40% of her commission back to our organization. The last day for orders will be Sunday, May 3rd.

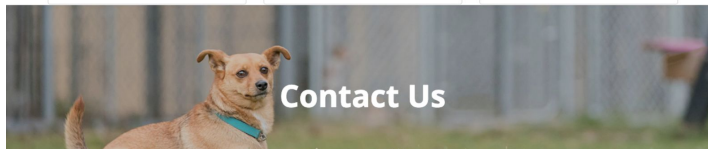

Raffle

RAFFLE TIME! Our largest fundraiser of the year has been cancelled due to the Coronavirus and we still have vet bills to pay so we will continue our online raffles. Our next raffle time is this \$50.00 instant lottery tree. Tickets again will start at \$5.

Flower Power Fundraiser

There are just a handful of days left to place an order for your seeds, bulbs and other garden items! Just click the link and order. Orders ship DIRECT TO YOU! We will receive money back to support our programs. Add some cheer and help some animals at the same time.

We Love Our Animals

Welcome to Storm's Angels

Storm's Angels was created in honor of the founder's first dog "Queen High Storm". She was rescued from a puppy mill. She ended up becoming Diabetic and then slowly she passed away from bladder cancer at almost 14. Storm's Angels saves companion animals in her honor. We focus on animals who are not considered adoptable. We work to rehabilitate these animals and place them into forever homes.
